METROPOLITAN
TRANSPORTATION
COMMISSION

Project Overview

Fairfield/Vacaville Train Station

- Will provide Capitol Corridor service
- Initial phase of Train Station Specific Plan

Project Overview

Peabody Road Overpass

- Enhances public safety
- Relieves traffic congestion
- Provides safe crossing for vehicles, bicycles, and pedestrians

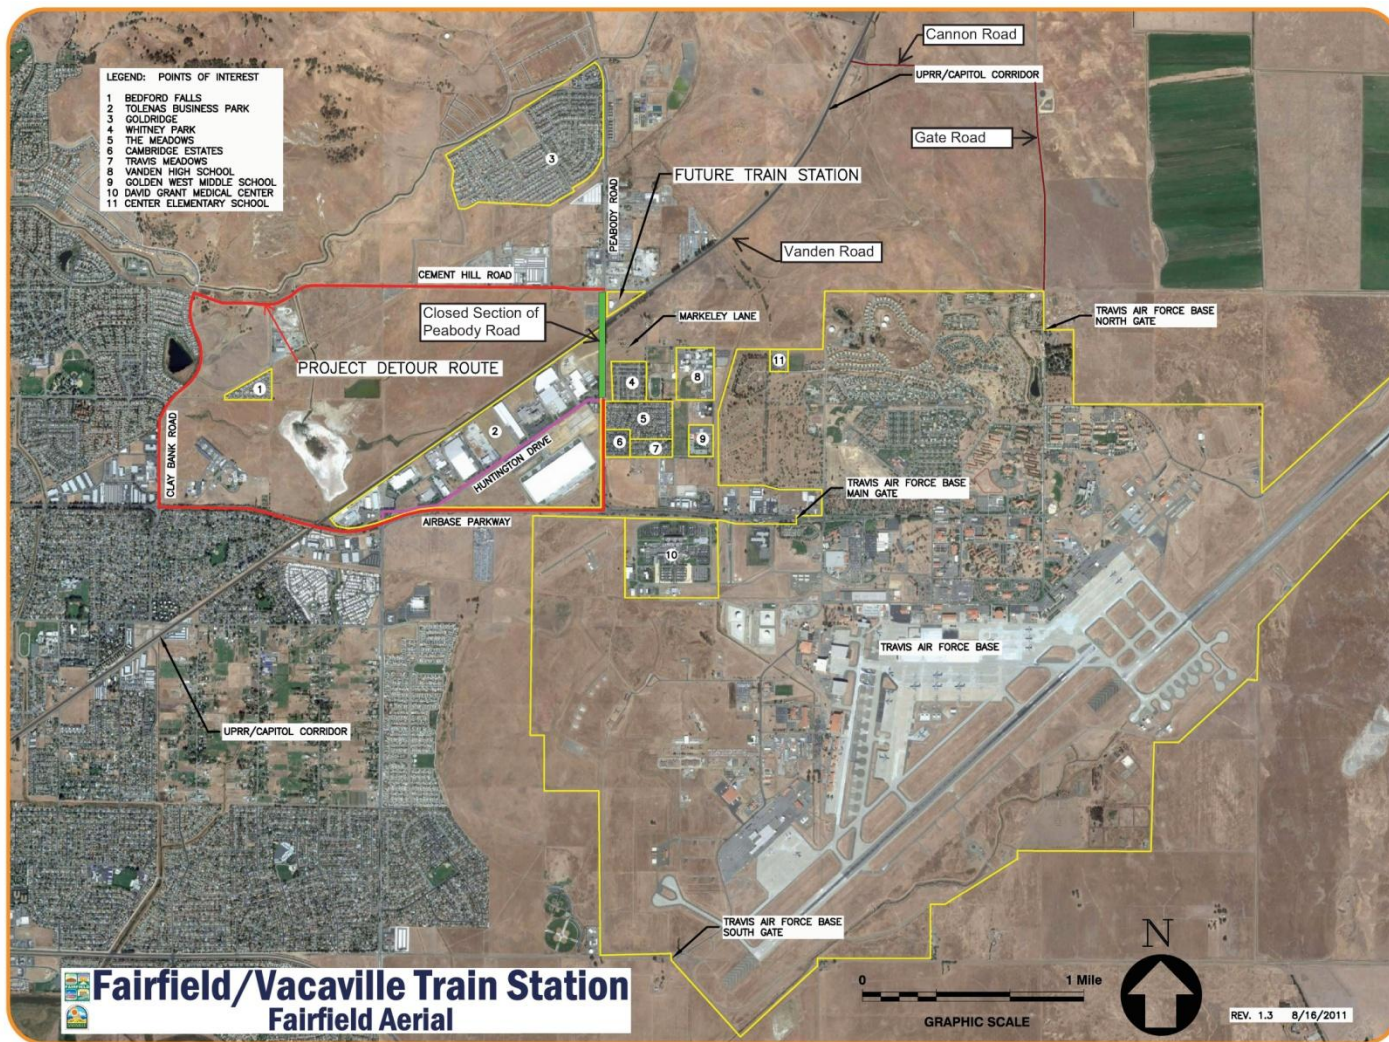

Project Status

- Design 75% complete
- UPRR approved 100% track alignment
- Construction approach selected
- Utility work begins on Peabody Road - Summer 2012
- Peabody Road closure - mid-2013 to mid-2014
- Project complete - Spring 2015

TASK	2011	2012	2013	2014	2015
1. Project Final Design					
2. Utility Relocation					
3. Construction					
4. Peabody Rd. Closure					

Peabody Road Closure & Detour Route

Peabody Closure Decision Basis

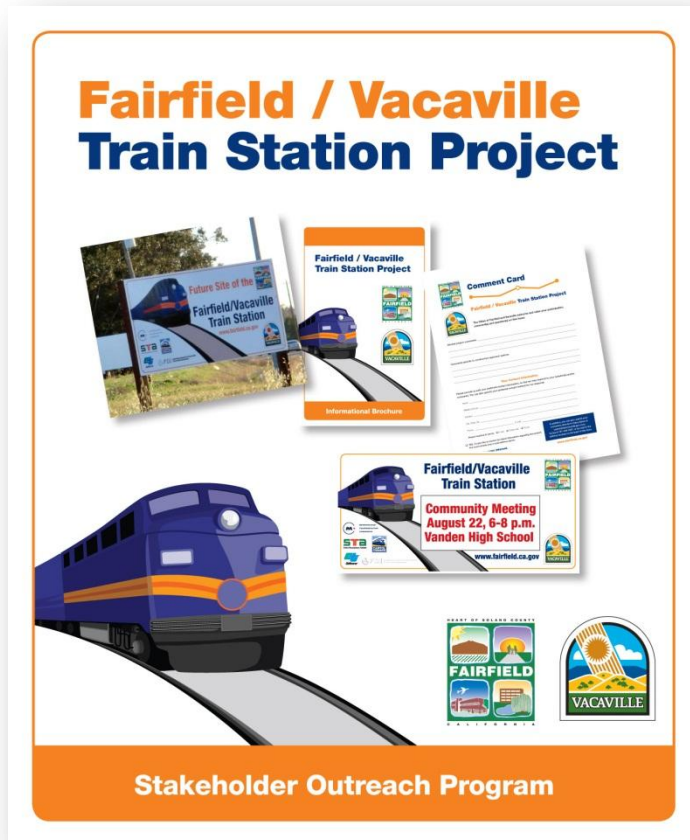

- Stakeholder input
- Safety of motorists, pedestrians, trains, and construction workers
- Minimize disruption to residents, businesses, travelers, and schools
- Limit construction impacts to one school year
- Enhanced public safety vehicle access
- Overall cost

Outreach Summary

- Contacted more than 200 potential stakeholders
- Held more than 20 meetings with the public and interested parties
- Hosted 3 Community Workshops
- Received approximately 50 written comments
- Provided project status updates via e-mail and project website

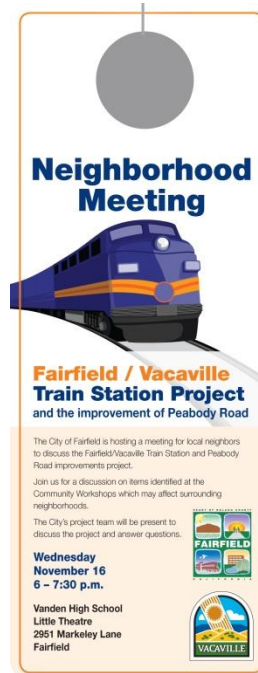

Stakeholder Input

Neighborhoods

- Construction Noise
- Increased Traffic
- Construction Schedule
- Cement Hill Road Access and Drivability

TUSD / TAFB

- School Bus Access
- Travel Delays
- Safe Path of Travel
- North Gate Entry

Local Businesses

- Truck Deliveries
- Staff Access
- Public Safety
- Construction Schedule
- Rail Impacts
- Customer Access / Awareness / Signage

Project Goals / Actions

- Address increased traffic congestion in the project area
- Provide public safety access
- Improve drivability and safety of designated detour route
- Create construction schedule efficiencies
- Work with local businesses to maintain customer access and awareness
- Minimize impacts of deliveries and access to local businesses
- Continue outreach / notification efforts through construction
